Pedro Moreno

Web Developer & Designer

+(1) 210 394 5800 | 514 Savannah Dr, San Antonio, TX | pedroa.moreno10@gmail.com | Github

Enthusiastic Computer Science graduate with hands-on experience in web development and web design. Skilled in building responsive web applications using Next.js, Tailwind CSS, Node.js, Express, and MongoDB. Proactive learner, adaptable to new challenges, and eager to contribute to real-world projects.

SKILLS

- HTML
- CSS
- JavaScript
- React
- Tailwind CSS
- Next.js
- Node.js
- Express
- Mongo DB
- Figma
- Github
- Sanity.io
- REST APIs

Experience

Freelance Web Developer for Orion Property Services (October 2025 - Present)
- Developed a responsive single-page website using Next.js, adding basic SEO data.
- Designed the layout in Figma prior to development, ensuring a clean, user-friendly interface.
- Live Site: https://orionpropertyservicessa.com

Moments in Bloom (November 2025)
- Responsive two-page website for a fictional tea/coffee shop that was built using Next.js and styled with Tailwind CSS.
- Integrated Sanity.io for easy content updates
- Live Site: https://momentsinbloom.vercel.app

Pokémon Nuzlocke Web App (October 2025)
- Built a full-stack application using React, Node.js, Express, and MongoDB to track player encounters and progress across different Pokémon games..
- Designed and implemented a custom database schema for efficient management of game data.
- Developed frontend components to display dynamic game data and user progress via RESTful API calls.
- Implemented user authentication and protected routes with JWT tokens.

EDUCATION

The University of Texas at San Antonio
Bachelor of Science in Computer Science
Graduated December, 2024
